Remember your loved ones who have died

In November the Church celebrates three festivals. On the 1st November we celebrate All Saint's Day and on the 2nd November All Souls' Day and then comes Remembrance Sunday.

To bring all these themes together the St Mark's Bourne End have arranged a United Service on Remembrance Sunday. As well as the traditional remembrance of this day it will also be an opportunity to remember those whom we knew and loved in their earthly lives and to light a candle in memory of a loved one or loved-ones.

We hope this will be an opportunity for us to gather together on this special day to remember before God all who have died. We shall bring all the different feelings that grief often carries with it, and yet do so in the context of thanksgiving for that Resurrection Life which God offers to us all through Jesus, so that together we can look forward with hope.

If you have lost a loved one through death in recent years we invite you to remember them before God, lighting a candle for them at a United Service on Remembrance Sunday to be held at St Mark's Church, Bourne End.

Please fill in the form provided and we will read their names out during the service and provide a candle for you to light during the service.
